

A Message From Al...

As a gym owner for twenty years, the temporary closure of Infinity hits hard. But I think, “What good can come from this?” Well, each day brings new ideas for adapting and even thriving as a gym family. My staff has already responded with online classes as well as messages of encouragement to our members. I have observed that the relationships you’ve created at your gym are continuing through positive and inspirational social media. Moving forward, my staff and I will be posting resources for your physical, emotional, and spiritual well-being. I have always strived to make Infinity Fitness a powerful force in this community and will do so even more in the days ahead. Find us on Facebook and Instagram and watch our website for more information.

God Bless You and Your Family,

Al Cardiello
